Flash Flood

Scattered heavy thunderstorms developed in the late afternoon of June 7th, mainly in eastern Siskiyou County. Rainfall ranged up to nearly two inches in just two hours. In downtown Yreka, rapid runoff flooded Main Street with three feet of water, threatening businesses and the firehouse.

Urban/Sml Stream Fld

Thunderstorms with heavy rain and small hail developed early in the afternoon across much of Modoc County. Rainfall rates exceeded an inch and a half per hour in northern Modoc County near Newell. Many cases of small stream flooding with water covering roads were reported county-wide. One house was sand-bagged for rising water.

OREGON, Southwest

NONE REPORTED.
